- Ensure a consistent level of knowledge and understanding of student goals;
- Ensure student readiness;
- Improve student retention levels;
- Increase student completion rates; and
- Ensure high levels of student satisfaction.

Our commitment to student satisfaction levels spans both accredited and non-accredited training and as such, this procedure must be followed for every new enrolment.

6. FEES AND CHARGES

Unless stipulated, all course fees are inclusive of:

- Administration charges;
- Course refreshments;
- Training delivery;
- Training assessment; and
- Student course materials.

6.1. WHEN DO I PAY COURSE FEES?

All courses below \$1,500.00 require full payment of the course fee prior to commencement. Courses that are priced above \$1,500.00 will require a minimum 25% deposit with the balance paid as per the ASTRA Schedule of Fees. Where courses are paid for by a third party such as an employer, students remain responsible for ensuring that course fees are paid.

Corporate clients will be required to pay for the course in full, pending the receipt of a Purchase Order and the commencement of the course.

Online course fees can be paid at time of purchase. If a third party is paying the fees, a manual payment and enrolment can occur, however fees must be paid before a student is enrolled.

If paying by credit card a 3% processing fee will be applied.

7. CANCELLATION AND REFUND POLICY

ASTRA has a fair and reasonable refund policy which ensures that all students have the opportunity to receive a refund if requested.

Our objective is to ensure that, when required, a fair and equitable system for the refund of training course fees is available to clients.

We achieve this by confirming that any training activities undertaken by ASTRA will be subject to a staged refund of course fees as per the conditions outlined below.

7.1. ASTRA WILL REFUND THE FULL COURSE FEE IF:

- The course has been cancelled by ASTRA and the student elects not to reschedule
- The student cancels prior to five (4) business days before course commencement.

ASTRA may retain 25% of the course fee if:

- The student cancels between two (3) and four (4) business days before course commencement

ASTRA may retain 100% of the course fee if:

- The student cancels less than two (2) days before course commencement, or
- The student does not attend the course without cancellation
- The student departs the course once they have commenced

7.2. CSQ FUNDED TRAINING

Cancellations by clients or students prior to any CSQ funded course may incur the following administration charges:

- 25% of the original course fee (exclusive of CSQ funding) for cancellation made between two (2) and four (4) business days before course commencement;
- 75% of the original course fee (exclusive of CSQ funding) for cancellation made less than (2) business days;
- 100% of the original course fee (exclusive of CSQ funding) if the student does not attend the course without cancellation or they depart the course once they have commenced Student non-attendance or early departure from the course will also result in the full cost of the original course fee (plus GST if applicable) being charged.

In all cases of cancellation prior to course commencement, a substitute may be nominated to attend the original course without penalty.

Enrolment is accepted on the basis that ASTRA will not be held liable for costs incurred due to course cancellation or rescheduling. ASTRA will use all endeavours to give advice as early as possible of any course changes*.

9. YOUR LEARNING AND ASSESSMENT JOURNEY

9.1. INDUCTION AND ORIENTATION

To ensure you are ready to commence and are completely comfortable with the journey you are about to embark on your Course Facilitator and assessor will spend time with you, either individually or in a group to induct and orientate you to the program. This is your chance to ask questions, to work with the Course Facilitator/assessor to identify specific requirements you may have and to customise the program to your learning needs. You may want to choose elective units of competency specific to the workplace or industry you represent, or you may have a workplace project you want to include as part of the assessment.

9.2. EXAMS AND ASSESSMENT

Qualifications/ Statements of Attainment issued in the Vocational Education and Training (VET) sector certify the achievement of competency. Competency based training focuses on what the individual can do and is based on work-related skills and requirements, and individual workplace performance.

In awarding competency, criteria are needed to measure skills and knowledge. Competency standards provide those criteria. In the context of national training packages, a competency standard is an agreed statement of skill and knowledge required to perform a specific job or job function. In order to gain competency, the student must be able to demonstrate that they have the skills and the knowledge, and that they can apply these to a workplace context.

Competency based assessment is the process of collecting evidence and making valid, reliable, and consistent judgement that is fair to all students. It can be established via a number of ways that include, but are not limited to:

- On the job assessment;
- Portfolios of Evidence;
- Assignments;
- Oral presentations;
- In class observations; and
- Role playing.

9.3. ASSESSMENT PRACTICES

ASTRA maintains the following series of standards with regards to our assessments:

- They incorporate alternative approaches to suit people who may otherwise be disadvantaged by cultural background, language ability or personal disabilities. (special needs in this area can be discussed directly with the assessor);
- They are flexible and encourage learning to occur in a wide variety of settings;
- They will be conducted in an open, accountable and transparent manner;
- They will be fair and equitable;
- They will be conducted by qualified staff; and
- They will be integrated into the learning process rather than being separate from it.

9.4. PLAGIARISM

Plagiarism occurs when a person passes off someone else's work as his or her own and is a serious academic offence. Examples include failing to cite an author for ideas incorporated into a student's paper and handing in an assessment piece downloaded from the internet. All plagiarised assessments will instantly be assessed as **Not Yet Competent** and students will be required to resubmit their work.

9.5. ASSESSMENT RESULTS

In accordance with the National VET Framework, results of competency assessment are indicated by either:

- **C** = Competent
- **NYC** = Not Yet Competent

9.6. REASSESSMENT

In the event a student is deemed NYC, they will be provided with feedback and assistance to gather further evidence and/or amend any corrections required. Any assessment re-submission must be provided within a timeframe agreed upon between the student and the assessor.

10. RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC) are formal acknowledgement of a person's current qualifications, skills and knowledge they may have already acquired through life, work experiences and/or previous study. These are measured against the chosen area of study and if relevant, may result in you being granted credits or exemptions.

If you believe you may qualify for RPL/RCC, your Course Facilitator can provide further information and support you through the process.

11. NATIONAL RECOGNITION

As an RTO, we are required to formally recognise all AQF Qualifications and Statements of Attainment issued by any other RTO. Please contact us should you wish to be accredited for prior qualifications via a Credit Transfer (CT) process.

12. ACADEMIC APPEALS

This policy/procedure supports the Standards for Registered Training Organisations 2015 in providing a process for complaints and appeals to be heard and actioned. All complaints and appeals received by ASTRA Group Services (ASTRA) will be viewed as an opportunity for improvement.

Despite all efforts of the Registered Training Organisation (RTO) to provide satisfactory services to its students, complaints may occasionally arise that require formal resolution. The following procedures provide students the opportunity to have any issues relating to a substantiated complaint or appeal resolved and resolutions reached that attempt to satisfy all parties involved. This complaints and appeals process will be at no cost to the student.

12.1. GRIEVANCES

In the event that grievances / disputes cannot be resolved internally, we will advise students of the appropriate government body where they can seek further assistance. Circumstances that may result in a grievance could include:

- Verbal abuse;
- Discriminatory behaviour; and
- Unprofessional behaviour.

Students who believe they have cause to lodge a grievance should discuss the issue in the first instance with their Course Facilitator. If resolution is not reached, an invitation is open to contact the Learning and Development Manager.

12.2. STUDENT COMPLAINTS, APPEALS AND GRIEVANCES POLICY

Where possible all non-formal attempts shall be made to resolve the complaint. This may include advice, discussions, and general mediation in relation to the issue. Any staff can be involved in this informal process to resolve issues but once a student has placed a formal complaint / appeal the following procedures must be followed. All complaints, appeals and grievance feedback must be received within 14 days of the alleged incident.

12.2.1. GENERAL COMPLAINTS

Any student, potential student, or third party may submit a formal complaint to the RTO with the reasonable expectation that all complaints will be treated with integrity and privacy. There is no cost for the complaints process unless it is referred to a third party.

A student wishing to submit a formal complaint or appeal can do so by completing the 'ASTRA Complaints and Appeals Form' and state their case providing as many details as possible. This application form can be gained by contacting ASTRA Administration at the RTO.

All formally submitted complaints or appeals are submitted to the RTO Administration Manager. It is their responsibility to deal with the complaint in the first instance. Complaints are to include the following information:

- Submission date of complaint;
- Name of complainant;
- Nature of complaint;
- Date of the event which lead to the complaint; and
- Attachments (if applicable).

Once a formal complaint is received it is to be entered into the 'Complaints and Appeals Register'. The information to be contained and updated within the register is as follows:

- Submission date of complaint;
- Name of complainant;
- Description of complaint / appeal;
- Determined resolution; and
- Date of resolution.

Students are able to present their case in person and may be assisted or accompanied by a support person regardless of the nature of the complaint throughout the process at all times.

Once a complaint has been filed and logged in the 'Complaints and Appeals Register' the Student Administration Coordinator shall notify the Training Manager of the complaint and provide any further documentation related to the matter.

The Training Manager shall then refer the matter to the appropriate staff to resolve, or make a decision on the complaint within 10 working days and keep the complainant informed of any decisions or outcomes concluded, or processes in place to deal with the complaint.

Once a decision has been reached the Training Manager shall be required to inform all parties involved of any decisions or outcomes that are concluded in writing. Within the notification of the outcome of the formal complaint the students shall also be notified that they have the right of appeal. To appeal a decision the RTO must receive, in writing, grounds of the appeal. Students are referred to the Appeals procedure 12.2.2. Appealing a Decision.

The Training Manager shall ensure that the RTO will act immediately on any substantiated complaint. If the internal or any external complaint handling or appeal process results in a decision that supports the student, the registered provider must immediately implement any decision and/or corrective and preventative action that is required, and advise the student of the outcome.

Copies of all documentation, outcomes and further action required will be placed into the 'Complaints and Appeals register' by the Training Manager and on the students file. The RTO will ensure that it follows the principles of fairness and natural justice in dealing with all complaints.

12.2.2. APPEALING A DECISION

All students have the right to appeal decisions made by the RTO where reasonable grounds can be established. The areas in which a student may appeal a decision made by the RTO may include:

- Assessments conducted;
- Deferral, suspension, or cancellation decisions made in relation to the student's enrolment; and
- Any other conclusion / decision that is made after a complaint has been dealt with by the RTO in the first instance.

To activate the appeals process the student is to complete a 'Complaints and Appeals Form' which is to include a summary of the grounds the appeal is based upon. The reason the student feels the decision is unfair is to be clearly explained and help and support with this process can be gained from student administrations department.

The Training Manager shall then determine the validity of the appeal and organise a meeting with all parties involved in the matter and attempt to seek resolution where appropriate.

When appealing a decision:

- The process for all formally lodged appeals will begin within 10 working days of the appeal being lodged; and
- The Training Manager shall ensure that the RTO acts on any substantiated appeal.

Where an appeal has been lodged it will be defined into one of the following categories and the appropriate procedures followed:

General appeals

- Where a student has appealed a decision or outcome of a formal complaint they are required to notify the RTO in writing within 20 working days of the grounds of their appeal. Any supporting documentation should also be attached to the appeal;
- The appeal shall be lodged through student administrations and the student administration manager shall ensure the details of the appeal are added to the 'Complaints and Appeals Register';
- The Training Manager shall be notified and shall seek details regarding the initial documentation of the complaint and shall make a decision based on the grounds of the appeal; and
- The student shall be notified in writing of the outcome with reasons for the decisions, and the 'complaints and appeals register' updated. The student shall also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify the RTO if they wish to proceed with the external appeals process.

Assessment appeals

- Where a student wishes to appeal an assessment they are required to notify their assessor in the first instance. Where appropriate the assessor may decide to re-assess the student to ensure a fair and equitable decision is gained. The assessor shall complete a written report regarding the reassessment outlining the reasons why assessment was or was not granted;
- If this is still not to the student's satisfaction the student shall formally lodge an appeal by submitting a written letter outlining their reasons for the appeal. They shall lodge this with student administrations department and the appeal shall be entered into the 'Complaints and Appeals Register';
- The Training Manager shall be notified and shall seek details from the assessor involved and any other relevant parties. A decision shall be made regarding the appeal either indicating the assessment decision stands or details of a possible re-assessment by a 'third party'. The third party shall be another assessor appointed by the RTO; and
- The student shall be notified in writing of the outcome with reasons for the decision, and the 'complaints and appeals register' updated. The student shall also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify the RTO if they wish to proceed with the external appeals process.

External Appeals

- If a student is still dissatisfied with the decision of the RTO, a student may wish to escalate the matter;
- Appeals can relate to assessment decisions but they can also relate to other decisions, such as a decision to exclude a learner from a program. Clients should be encouraged to resolve complaints and appeals through your complaint mechanisms. If they are not satisfied with the outcomes of these processes they should contact Australian Skilly Quality Authority (ASQA) by completing the online complaint form – <http://www.asqa.gov.au/>; and
- Where a decision or outcome is in favour of the student the RTO shall follow the required action and recommendation from the third party mediator such as ASQA to satisfy the student's appeal as soon as practicable.

Note: Any complaints, appeals or grievance feedback not received within 14 days of the alleged incident may not be considered valid or acted upon. Only one formal appeal presentation will be entered into and the decision of the Learning and Development Manager and/ or Director/s will be final.

12.3. STUDENT BEHAVIOUR

We expect that fair and equitable treatment is a reciprocal arrangement and as such have documented guidelines for management of inappropriate student behaviour.

In the first instance:

Students will be asked to cease any behaviour considered inappropriate either by Course Facilitators, assessors, workplace or other students. No argument will be entered into in relation to individual perceptions about 'appropriateness' – if the behaviour has offended, then it will be considered offensive and is therefore inappropriate.

In the second instance

Failure to desist will result in a second request for specific behaviour to cease and may include temporary and short term ejection to allow for reflection and cooling off and/or written advice. These interventions will be used at the Course Facilitator/assessors discretion.

In the third instance:

Failure to cease inappropriate behaviour will result in ejection from class for the day (For any training paid for/or organised by an employer or government assistance agency, they will be immediately notified of the behaviour and actions taken by ASTRA). ASTRA Group Services reserves the right to permanently eject students for ongoing inappropriate behaviour without course refund. This decision will be made on a case by case basis considering evidence at hand and level of inappropriate behaviour.

13.AWARDS

13.1. COURSE AWARD

To be eligible for a Certificate (e.g. Statement of Attainment or Qualification) a student must have completed all program work and assessment set out in the program outline for that course. Each Qualification will include a Record of Results detailing the individual units completed.

13.2. STATEMENT OF ATTAINMENT

Students who successfully complete short accredited courses will be awarded a Statement of Attainment as partial completion of a full Qualification.

13.3. ACADEMIC HISTORY REPORTS

Students may request an academic history report that provides a statement of current academic history with ASTRA Group Services.

Students also have the option of referring to their secure online record via www.usi.gov.au to track all recognised training (VET) and Qualifications gained in Australia from 2015, regardless of the training organisation.

13.4. CERTIFICATE OF ATTENDANCE OR PARTICIPATION

Certificates of Attendance are supplied to students who decide not to proceed with the assessment component of a course but still require documented evidence of attendance, or for students who attend non accredited training.

14. ACCESS TO RECORDS

All students are entitled to access their individual training and assessment records. Feedback we receive from our clients, our students and our colleagues is valuable to us because it provides us with an opportunity to improve the products and services we offer and the level of service we provide. ASTRA encourages positive and negative feedback and invite staff, students and clients to provide feedback in the form of formal and informal methods.
